ALTRA LIFT

Polyurethane on steel core load and steer wheels

Teardrop handle with 3-way position lever for load control

Hydraulic pump with over-load bypass valve

Durable powder coat paint finish

PRODUCTIVITY

The forks have solid nylon fork tip entry rollers that ease the transition over the bottom pallet boards, helping you to get more work done.

DURABILITY

The adjustable tubular push rods and self-lubricating bushings at all pivot points help improve warehouse efficiency and minimize wear and tear.

ERGONOMICS

Comfort never worked so hard. The teardrop handle with the 3-way position lever provides comfortable and precise load control for the operator. And the handle return spring automatically restores the handle to its vertical position.

FLEXIBILITY

Every operation runs differently. That's why the Altra Lift is designed to adapt to a wide range of warehouse operations and is available in a variety of configurations.
